Supporting Local Talent: Heppenstalls Sponsors New Milton Town Robins Under 9s

Clarissa Ronchese - Marketing Executive

At Heppenstalls, supporting our local community isn't just something we say - it's something we do. That's why we're delighted to sponsor the New Milton Town Robins Under 9s football teams, soon to become Under 10s this September.

Our sponsorship includes providing both teams with brand-new Heppenstalls-branded kits. Earlier this summer, team members Dagmara and Clarissa joined the players, families, and coaches at the club's tournament - the first time the young Robins proudly wore their new kit on the pitch.

We'll continue our support over the next few seasons, helping the club give young players the chance to develop skills, grow in confidence, and enjoy the game. With over 130 years in the New Forest, we're proud to give back to the community we serve. Good luck to the Robins for the season ahead!

Proud Sponsors of the Cattle Area at the New Forest Show

This summer, we were delighted to once again be part of the New Forest Show - an event we've supported for many years. As proud sponsors of the cattle area, we helped celebrate the region's farming heritage and the hard work of local farmers.

Several members of our team attended, enjoying the impressive livestock displays, expert judging, and fantastic community atmosphere. It was a pleasure to see the Show thriving and to play our part in keeping this much-loved tradition alive.

We're already looking forward to next year!
