Supporting Oakhaven Hospice's Treecycle

Clarissa Ronchese - Marketing Executive

We were proud to sponsor Oakhaven Hospice's Treecycle, a Christmas tree recycling initiative that raised around £4,000 to support local families and patients. Nearly 220 Christmas trees were collected and recycled responsibly, providing a sustainable solution while supporting a much-valued local cause.

It was wonderful to see the community come together to support the hospice's important work. Sponsoring Treecycle allowed us to combine sustainability with meaningful local fundraising.

We look forward to seeing Treecycle continue to grow and support Oakhaven Hospice in the years to come.

Proud Sponsors: New Milton Bowling Club

We are delighted to be sponsoring New Milton Bowling Club for 2026. The club is a valued part of the local community, and we look forward to supporting it throughout the season.

Legal Tip: Avoid Delays in Your Property Move

Olivia Hiscock - Trainee Solicitor

Many delays in property transactions can be avoided with the right preparation and proactive advice. Choosing a solicitor you trust can make a real difference - helping to reduce stress, provide clear guidance, and keep your transaction moving smoothly from start to finish.

Sellers can help things move smoothly by gathering key documents early, including warranties, guarantees and planning or building regulation paperwork. Leasehold sellers should also be aware that managing agent packs can take time and are best ordered as soon as an offer is agreed.

Buyers should arrange their mortgage and survey as soon as possible and respond promptly to their solicitor's requests to avoid delays.
