Connecting with the New Forest Business Community

We recently exhibited at the New Forest Business Show, joining local businesses for a day of networking, collaboration and conversation.

It was a great opportunity to meet other businesses, share more about the services we offer and explain how we can help with Wills, Lasting Powers of Attorney, conveyancing and more.

Thank you to everyone who visited our stand and to the New Forest Business Partnership team for organising such a brilliant event. We enjoyed being part of the day and connecting with the local business community.

From Solicitors to Lawn Bowl Players

Our team has been enjoying getting involved with New Milton Bowling Club, with regular practice sessions and a coaching session to help us learn the basics of lawn bowls.

As proud sponsors of the club, it's been great to spend time on the green, meet club members and experience the fantastic community spirit at the club. We also have a friendly competition coming up at the club and are looking forward to sponsoring the Heppenstalls Cup in September.

We're excited to continue developing our skills and enjoying more time on the green.

Legal Tip: Don't Forget to Review Your Will

A Will should not be viewed as a document to be completed and forgotten. Significant life events such as marriage, divorce, the birth of a child, the death of a beneficiary or executor, or changes in your financial circumstances can all affect whether your Will continues to reflect your wishes. Keeping abreast of current changes in the law is also important; we are here to help if you are not sure. Regular reviews can help keep your planning up to date.

If you'd like to review your Will or discuss your estate planning, our Private Client team would be pleased to assist.
